## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1, 3-17, 24-27 and 29-32 are allowed (Claims 2, 18-23 and 28 are canceled by Applicant).

2. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 1, 3-17, 24-26 and 31-32 (See Office action mailed on 07/26/2005).

The primary reason for the allowance of claims 27 and 29-30 is the inclusion of the limitation of the antenna movable between a docked position and a deployed position extending at least partially from the antenna chamber, the antenna movable to one of the docked position or the deployed position when the solenoid is energized. It is this limitation found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
